### Letter of support - Dawid Czarnecki

To whom it may concern,

We hereby support the work done and performed by Mr. Dawid Czarnecki in the scope of the MISP Project. CIRCL (Computer Incident Response Center Luxembourg) leads the MISP Project development and community collaboration. Mr. Dawid Czarnecki contributed in the field of security review, audit and vulnerability assessment of the MISP code base. He contributed a significant number of reports and found vulnerabilities in the MISP software. CIRCL and Mr. Dawid Czarnecki collaborated using a coordinated vulnerability disclosure process (CVD) and we are positively impressed by his professionalism and capabilities in the field.

Sincerely,

  
Alexandre Dulaunoy (Head of Department)
